

Puzzi 100 spray extraction cleaner. Powerful & efficient carpet extractor

makes a difference

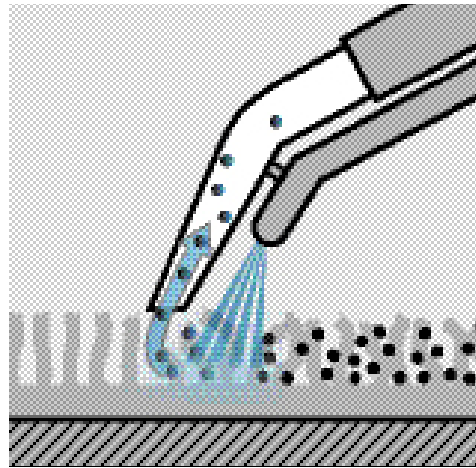

Puzzi 100

- Rubber cushioned pump / turbine module
- Detachable wastewater container
- Additional handle (adjustable) on the floor nozzle

Powerful Cleaning Solution

- With a powerful 14.5 psi spray rate, the water and detergent solution is applied to the area being cleaned and picked up immediately by the vacuum nozzle.
- Cleaned surfaces can be walked on almost right away as very little residual moisture remains. Carpets dry up to 63% faster than those cleaned with other comparable products.

Spray extraction method

With the spray extraction method, the water and cleaning agent are sprayed deep into the carpet while simultaneously vacuuming the used solution back again. Soil and dirt are removed in one single pass which helps carpets dry very quickly.

Technical data

Max. area performance	215-270 ft ² /hr
Air flow rating	114 cfm (54 l / sec)
Spray rate	.26 gallon / min (1 l / min)
Spray pressure/back pressure	14.5 psi (1 bar)
Tank (fresh/dirty)	2.6 gallon / 2.3 gallon (10 l / 9 l)
Power rating (fan/pump)	1,250 W / 40 W
Vacuum motor	1.7 hp (1,250 W)
Waterlift rating	88" (220 mbar)
Weight	22.7 lbs (10.3 kg)
Dimensions (L x W x H)	26.2" x 12.6" x 17.1" (665 mm x 320 mm x 435 mm)

Equipment

Spray hose with integrated water feed	98.5"
Hand tool	■
Order No.	1.100-123.0

■ Included in delivery. * Varies depending on carpet fiber type or material being cleaned.
