

makes a difference

# THE MOST DURABLE UPRIGHT VACUUM.

Providing HEPA stage filtration for all your cleaning needs.

# CVU 30/1 HEPA, CVU 36/1 HEPA, CVU 46/1 HEPA

## The most durable single-motor upright vacuum in its class.

The CVU 30/1, 36/1 and 46/1 HEPA use a single motor to power the suction and roller brush and provide HEPA final stage filtration. These lightweight and quiet vacuums are built for the rigors of retail, hospitals and building services management.

### 1 Best warranty in its class

- 3-year "bumper to handle" warranty provides you the best protection the industry has to offer.

### 2 Intelligent design

- Tool-free power cord change.
- All electronics located in the base of unit, eliminating wear on swivels and connectors, improving reliability and serviceability.

### 3 HEPA final stage filtration

- Integrated HEPA-level filter for better user protection against airborne particulates.
- Dual-stage filtration provides cleaner air to the filter, extending the life up to 200-300 hours, saving you time and money.

### 4 Extremely quiet

- Daytime cleaning and operation in noise-sensitive areas possible with the low noise level of dB(A).
