Eliminator III

Ready-to-Use Foaming Spray Cleaner

ELIMINATOR 3 is a powerful spray n' wipe cleaner that clings to surfaces and removes stubborn grease and grime easily. It is designed to quickly penetrate and break-down tough stains and greases with minimal work.

Safe for All Surfaces

ELIMINATOR 3 is recommended for cleaning walls, floors, plastic surfaces, vinyl, painted wood, metal, ceramic, rubber, aluminum and stainless steel.

ELIMINATOR 3 is effective at removing black heel marks, oil, grease, lipstick, pen, crayon, soot, carbon and many other difficult to remove types of dirt. Simply spray on and wipe off. No rinsing is required. It is aggressive and yet will not damage the surface being cleaned including aluminum and painted surfaces.

Environmentally Safe

ELIMINATOR 3 uses biodegradable surfactants and does not contain any butyl or phosphates. ELIMINATOR 3 meets USDA Performance Standards for C1 type products.

QRS System

The QRS (Quart Refill System) is a program designed to allow customers to refill empty ELIMINATOR 3 quart bottles from five gallon BIBs (bag-in-box), with no mixing, funnels, pouring or mess. It provides the advantage of quart convenience with economical five gallon pricing. All that is needed to get started is one 12 quart case and one 5-gallon BIB.

New "Cling Formula" - It Stays Where You Spray!
Citrus Floral Fragrance Smells Great!

Properties

Appearance	Orange liquid, citrus floral scent
pH	12.2 ± 0.2
