

JOLT Stripper

High Performance, Low Odor Stripper

A Powerful Stripper

Jolt-Stripper is able to remove build-up of floor finishes with great efficiency. This highly active stripper cuts even heavily burnished films down to bare floors quickly.

A Safer Stripper

Jolt Stripper is safer to use than most conventional strippers. It does not contain butyl solvent, and has low odor.

A Labor Saver

Jolt-Stripper works great for autoscrub stripping of floors. It effectively attacks and liquefies finishes for easy pickup. Floors are stripped bare the first time, making Jolt Stripper the most cost effective stripper available.

Quick Dilute System

Jolt-Stripper is diluted one quart with 2 to 4 gallons of water in a mop bucket for stripping finishes.
