Neutralize unwanted malodors instead of simply masking them

Nilium® Broad Spectrum Water Soluble Deodorizer

Cleaning and deodorizing time can be greatly reduced by adding our water soluble deodorizers to cleaners or plain mop water. This allows the user to clean and deodorize the total surface area in one easy step.

Nilium® is the most effective water-soluble odor counter-actant available. **Nilium®** will neutralize malodors instead of simply masking them. Most other deodorants contain perfumes which merely cover up or provide a fragrance for a very short time. **Nilium®** will provide immediate relief from the malodor leaving a pleasing fragrance, while Super N Concentrate works to physically neutralize the malodor. One application of **Nilium®** will counteract odors up to 24 hours.

Nilium®- Water Soluble Concentrate

- Multi-use deodorizer
- Contains odor neutralizer
- Works up to 24 hours
- Ideal to use on any water-safe surface

Ensures a coordinated fragrance for all steps of cleaning and odor control. Multiple scents products may lead to a more offensive odor than the one you're trying to eliminate. Additionally, it can lead to people wondering what malodor you are trying to hide. Single Scent Solutions are extensive. These products address all four stages of restroom odor control and cleaning.

Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	DILUTION	RECOMMENDATIONS
Automobiles	Pet or smoke odors	1 - 2 oz.: quart	Spray dilution to eliminate smoke odors, pet odors, etc.
Carpet	Smoke/mildew, pet odors	1/2 oz.: gallon	Add to extraction or shampoo solution. Inject undiluted directly into matting for hidden odors.
Clean-Up	Inherent cleaner/disinfectant odors	1 oz.: gallon	Use in conjunction with cleaner/disinfectant to neutralize inherent chemical odor.
Floor Care	Room odors	1 oz.: gallon	Add to mop water. Great for odors absorbed into porous surfaces; i.e., concrete, grout, wood, etc.
Fire	Smoke odors	1 - 2 oz.: gallon	Dilute and spray on any water safe surfaces where smoke odor might linger.
Garbage	Dumpster/chute & compactor odors	4 - 6 oz.: gallon	Pour or spray dilution down garbage chute or into dumpster or trash compactor.
Laundry	Smoke Odors	4 - 6 oz.: per load	Add to the wash cycle at any time.
Kitchen	Garbage odors	1 oz.: gallon	Add to mop water or cleaner. Pour in garbage disposals to eliminate odor and help cleanse.
Paint	Residual odors	1 - 2 oz.:gallon	Add to latex paint to eliminate odors during application.
Pet	Kennels/pens	1 - 2 oz.: gallon	Spray dilution in kennels/pens. Use in conjunction with bleach to eliminate inherent odor.
Public Transport	General clean-up/residual odors	1 oz.: gallon	Add to cleaner for clean-up and maintenance.
Restroom	All odors	1 oz.: gallon	Use in conjunction with disinfectants/cleaners or as spray dilution. Great for mop water and drains.
Room Odors	Room deodorization	1 - 2 oz.: quart	Spray for room deodorization.
Sewer	Water treatment	1 - 2 oz.: gallon	Spray dilution over problem areas during peak periods of water treatment.
Sickrooms	All odors	1 oz.: gallon	Use in conjunction with cleaner/disinfectant to neutralize odor on contact.
