Concentrated Foaming
Wash & Wax Formula

- High Foaming
- Cleans & Protects
- Contains carnauba wax

Vehicle Wash & Wax

Concentrated Foaming Wash & Wax Formula

High Foaming Cleaner

VEHICLE WASH & WAX effectively removes normal soils such as road film, dirt, bugs and tree sap from cars, trucks, buses and recreational vehicles. The thick rich foam generated during the vehicle-washing process is very stable and helps to protect the surface against potential harm caused by normal brush action. Neither the concentrate nor diluted solutions will attack rubber moldings or plastic parts commonly used on vehicles.

Cleans & Protects the Finish

VEHICLE WASH & WAX is formulated with mild, high foaming detergents, Carnauba Wax and Silicones that will provide gentle cleaning with maximum shine and protection to your vehicle's finish. Rinse water will bead-up which makes it more efficient to dry the vehicles surfaces by hand or with a blower in automated car washes.

Environmentally Friendly

VEHICLE WASH & WAX is biodegradable and phosphate free.

Benefits

- High foaming.
- Rinse water will bead up for efficient drying of vehicle's finish.
- Contains carnauba wax to protect vehicle's finish.

Vehicle Wash & Wax will gently clean and protect your vehicle's finish.

Properties

Appearance Light amber liquid, Sassafras Fragrance.
pH 5.0 - 7.0
Specific Gravity 1.025 - 1.033
Flashpoint None
Dilution Automatic: 1 gal./200-400 gal. of water
Manual: Normal Soils 1-2 oz/gal (8-15 ml/L)
For Maximum Cleaning & Protection:
4 oz/gal (30 ml/liter)
Foamability Excellent
Hardwater Tolerance Yes
Biodegradable Yes
Phosphate-Free Yes
Storage Stability Excellent, 1 year under normal conditions
Freeze-Thaw Stability Will freeze - usable after thawing with no change in performance. Agitate after thawing and before use.

VOC Compliant - VOC Free

Packaging

55 gallon, 910957
5 gallon, 910955
1 gallon, 910953
