

# Encapsulating with a Twist

Environmentally Responsible

**EncapPLUS** powered by OXY-Force® is an ALL-IN-ONE cleaner and boosting agent. This oxygenated encapsulating, multi-purpose cleaner, is ideal for locations that need only one product to do it all.

### Key Benefits of Encapsulating Extraction Cleaner

- Leaves no harmful residue
- Prevents soil wicking
- No sticky residue
- No rinsing required
- Eliminates rapid resoiling
- Carpets stay cleaner longer

Traditional detergents leave behind sticky residues that lead to rapid resoiling. The Structured By Nature encapsulating detergent dries into a hard crystalline material that fractures off the carpet fiber during the dry vacuuming process. An important benefit of encapsulation is that any residue left behind is of a non-sticky nature, and consequently does not result in rapid resoiling.

Polymer attaching to the fiber

# EncapPlus Encapsulating Cleaner

All-in-one cleaner and booster

**Economical** - Dramatic labor and chemical savings realized by the customer.

**Versatile** - Can be used with the latest low moisture equipment and also compatible with traditional carpet cleaning equipment.

Chemical program enhanced by the Certified Pile Brush. Nothing is more effective at removing dry soil. Plus the environmental benefits of no solution or recovery tanks to service.

EncapPlus All-In-One Cleaner  
Also available 55 gallon drum

**Gallon** 4/case  
**128SBNOXY**

**5 Gallon** each  
**130SBNOXY**

**DIRECTIONS:** Shake well before using.  
Test fabric in inconspicuous place for color fastness before using.

**EXTRACTION CLEANER -**

1. Mix 2-4 oz. (60-120 mL) of EncapPLUS to every 1 gallon (3.78 L) of water.
2. Extract carpet in the normal manner.
3. Vacuum thoroughly when dry.

**LOW MOISTURE BONNET/SPIN/ SHAMPOO CLEANER-SPOTTER -**

1. Mix 10 oz. (300 mL) of EncapPLUS to every 1 gallon (3.78 L) of water.
2. Clean carpeting in the normal manner.
3. Vacuum thoroughly when dry.

**TRAFFIC LANE / HEAVY SOIL PRE-SPRAY -**

1. Mix 12 oz. (355 mL) of EncapPLUS to 1 gallon (3.78 L) of water. Spray the entire area to be cleaned.
2. For best results, agitate with a carpet rake.
3. Allow 5-10 minutes of dwell time. **DO NOT** allow to dry on the carpet before cleaning. Clean carpet in a normal manner.

**CLEANER BOOSTING AGENT -**

1. Mix 6 oz. (180 mL) of EncapPLUS per 1 gallon (3.78 L) of diluted carpet cleaning chemical to give a oxygenated boost.
2. Clean carpet in the normal manner.
3. Vacuum thoroughly when dry.

**ICE MELT SALT STAIN REMOVER -**

1. Mix EncapPLUS 50/50 with water. Spray the entire area to be cleaned, and agitate with a carpet rake.
2. Allow 5-10 minutes of dwell time.
3. Extract with water. Repeat if necessary.

**LAUNDRY BOOST/PRE-SPRAY/SPOT TREATMENT-**

- Mix 1 oz. (30 mL) of EncapPLUS to laundry water for a booster.
- Spray EncapPLUS straight on soiled linen and agitate in, let set for 5-10 minutes. Launder in normal manner.

**Seeing is Believing! The Difference is Crystal Clear**

## When using Encapsulating Cleaners, The Secret Is In The Savings...

By switching to encapsulating cleaners you can reduce cleaning frequency and labor costs by up to 50% without sacrificing cleanliness!

**Self-Contained Extraction Procedure**

Production Rate = 2,000 sq. ft/hr

**Spin Bonnet Procedure**

Production Rate = 1,100 sq. ft/hr

**Yearly carpet maintenance cost estimate**

- 55,000 sq. feet of carpet
- Labor calculated at \$10.00 per hour

Our Structured By Nature™ Line is made up of 6 great products

**EXTRACTION Cleaner**

A concentrated cleaner that can be used with any type of carpet extraction equipment. Provides one pass cleaning, and is compatible with high heat equipment. Leaves no sticky residue.

2 oz. per gal. Diluted pH 7.5-8.5  
128SBNEXT

**All-Purpose SPOTTER**

Encapsulating Carpet Spotter is an ideal, all-purpose spotter that breaks down a wide range of spots and stains. Used in the same manner as a traditional spotter, but does not contribute to re-appearing spots.

RTU Diluted pH 8-8.5  
32SBNRTPUS

**PRE-SPRAY Treatment**

A perfect pre-spray for heavily soiled traffic areas. Breaks down tough grease and dirt. For high powered cleaning, use in conjunction with Certified's Extraction Cleaner.

8 oz. per gal. Diluted pH 8-9  
128SBNSPT

**SHAMPOO/SPIN Cleaner**

A quick drying Shampoo/Spin cleaner which incorporates Encapsulating technology to bind the soil, which is then removed through daily vacuuming.

16 oz. per gal. Diluted pH 7.5-8  
128SBNSHP

**AFTER RINSE**

Encapsulating fabric rinse for carpet and upholstery. This low pH solution is used as the final step in wet cleaning. After Rinse removes any remaining residue, helps prevent browning or yellowing and leaves the fabric with a soft feel and helps prevent rapid resoiling.

4-6 oz. per gal. Diluted pH 2.5-3  
C282-005
